

№3

APARTMENT WITH
A VIEW TO THE RIVER
DAUGAVA AND
ELIZABETES STREET

Central heating, water and sewerage systems. Each of the apartments has separate manual heating control, besides, the required temperature for comfort can be adjusted separately in each room.

Each of the apartments is equipped with Mitsubishi Electric heat recovery ventilation system, which ensures continuous flow of fresh air and has the function that allows the client to adjust the conditioning system as they please.

All apartments are also equipped with centralized fire alarm, and it is possible to set up a safety alarm system in each of them also.

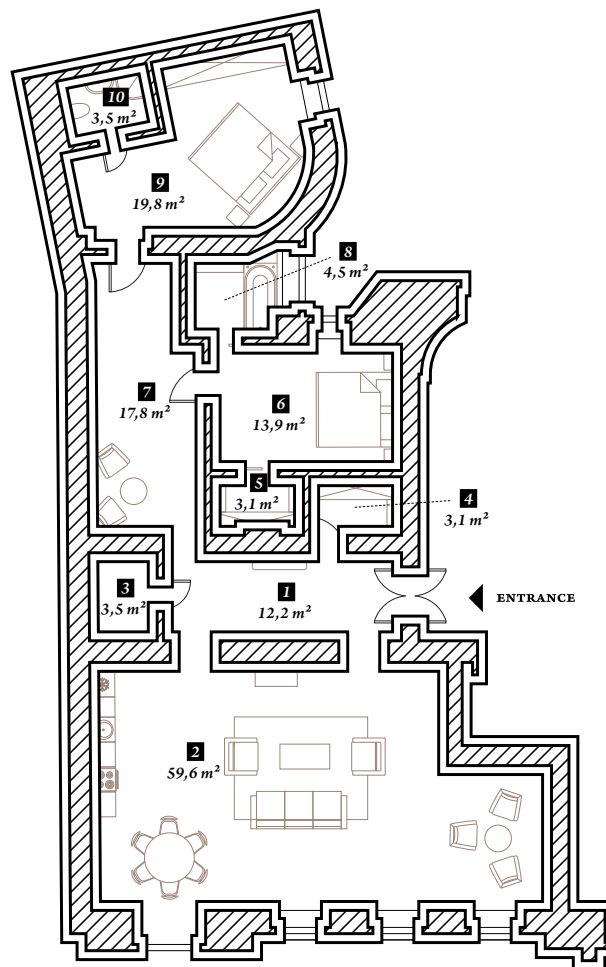

It is possible to build a fireplace in this apartment.
